CURRICULUM VITAE

Surname Suzuki
First name Sho
Sex Male

Date of birth 25 May 1982

Profession Division of Gastroenterology and Hepatology,

Department of Medicine, Nihon University School of Medicine 1-6 Kanda-Surugadai, Chiyoda-ku, Tokyo 101-8309, Japan

Academic degree M.D., Ph.D.

Phone +81-3-3293-1711

Email <u>s.sho.salubriter.mail@gmail.com</u>

suzuki.sho@nihon-u.ac.jp

Academic career

1/4/2001 Master of Medicine, Yamagata University

31/3/2007 Graduated from the above

1/4/2013 Ph. D. in Medicine, Tokyo Medical University

31/3/2016 Graduated from the above

Membership of professional societies

Faculty Member of European Society for Medical Oncology International Active Member of American Society for Gastrointestinal Endoscopy Board Certified Fellow of the Japan Gastroenterological Endoscopy Society Board Certified Gastroenterologist of the Japanese Society of Gastroenterology Fellow of the Japanese Society of Internal Medicine

Awards and Honors

2013 United European Gastroenterology Week travel grands for clinical scientists

2013 Poster of Excellence at United European Gastroenterology Week

2014 Japanese Society of Gastroenterology travel grands for young investigator

2016 Japanese Society of Gastroenterology travel grands for young investigator

2018 Japanese Society of Gastroenterology travel grands for young investigator

2018 Best Reviewers Award for 2017 in Digestive Endoscopy

2018 Rising Star Award 2018 in Japanese Society of Gastroenterology

Invited speaker

- 1. Technical tips to overcome the difficulty of ESD. Nanjing International Endoscopy Symposium 2017 (2017. 10).
- 2. Revised JGCA guideline and potential expansion of ESD for early gastric cancer in the elderly Japanese population. European Society for Medical Oncology (ESMO) Preceptorship on Gastrointestinal Tumors (2017. 11).
- 3. Management of complication for gastric ESD. 7th Nanjing Drum Tower Forum of Digestive Diseases and Endoscopy (2018. 5).
- 4. ESD for early gastric cancer. 10th CUHK ANBIIG Training Workshop (2018. 6).
- 5. Management of complication during and after upper GI ESD. 10th CUHK ANBIIG Training Workshop (2018. 6).
- 6. ESD procedures in esophageal malignant lesions. Congress of Minimally Invasive Surgery (2018.9)
- 7. State of the art: treatment and prevention of early gastric cancer. United European Gastroenterology Week Rising Star Symposium. (2018. 10)
- 8. Endoscopic diagnosis and treatment for T1a early gastric cancer. European Society for Medical Oncology (ESMO) Preceptorship on Gastrointestinal Tumors (2018. 11).
