Name	Bruns, Christiane Josephine
10/84 - 3/90	Medical School the University of Düsseldorf
09/1992 - 10/1992	Dissertation at the Department of Orthopedic Surgery at the University of Düsseldorf, Germany „ Pathobiomechanics of the Sternoclavicular Joint “
08/01/1991- 04/30/1997	Clinical Training Program in Visceral and Vascular Surgery, Thoracic Surgery, Intensive Care Medicine and Traumatology at the Department of Visceral, Vascular and Thoracic Surgery and the Department of Traumatology at the University of Cologne, Germany
05/02/1997 - 08/31/1999	Postdoctoral Fellowship Department of Cancer Biology (Dr. I.J. Fidler) University of Texas M. D. Anderson Cancer Center Houston, TX 77030 supported by “Lise-Meitner-Stipendium” of the German Research Society (DFG)
03/01/2001	Final Boards of General Surgery in Germany
04/01/2001-09/30/2001	Clinical Training Program for GI-Surgery at Department of Visceral, Vascular and Thoracic Surgery at the University of Cologne, Germany
12/16/2002	Assistant Professor at the Department of Surgery at the University of Munich-Großhadern Principle investigator in the research field: tumor angiogenesis, anti-angiogenic therapy, metastasis, pancreatic cancer
08/17/2005	Final Boards of Visceral Surgery in Germany
03/06/2009	Appointment as Professor of Surgery, University of Munich-Großhadern
09/2009	European Board of Surgery Qualifications (EBSQ) Examen in Surgical Oncology 09/2009
02/2011	Clinical hospitation „Liver surgery and transplantation“ Centre Hepato-Biliaire, Hopital Paul Brousse Villejuif, Frankreich
01/01/2011	Vice Director of the Department of Surgery, University of Munich-Großhadern
01/02/2012	Vice Director of the Comprehensive Cancer Center Munich (CCC ^{LMU})

04/11/2013	Director of the Department of General-, Visceral- and Vascular Surgery, University of Magdeburg, Germany
01/06/2016	Director of the Department of General-, Visceral- and Tumor Surgery, University of Cologne, Germany
01.07.2016	Vice Director of the Comprehensive Cancer Center CIO Köln/Bonn
2016-2019	Representative for Visceral Surgery for the German Research Society (DFG)
2017-2019	Representative for Visceral Surgery for the German Research Society (DFG) in the Reviewer Panel for Clinical Trials
2017-2020	Treasurer of the European Surgical Association
2017-2020	Nominated member of the Supervisory Board of the University Clinic of Heidelberg
2018	Member of the International Surgical Group
2018	Nomination for the Leopoldina Academy of Sciences

Scientific Awards

1994	36th Annual World Congress, International College of Angiology, 02.-09.07.94, New York, USA “In-vivo biomechanical properties of different implanted graft materials in peripheral vascular surgery” <i>“Young Investigator Award 1994”</i>
1999	Trainee Recognition Day and Research Exposition, University of Texas M.D. Anderson Cancer Center, USA “BCL-2-mediated suppression of cell death promotes hypoxia-induced tumor angiogenesis” <i>“Poster Presentation Award 1999”</i>
1999	Biological Basis for Antiangiogenic Therapy, 08.11.-10.11.99, Milan, „Inhibition of angiogenesis and regression of human pancreatic cancer by blockade of EGF-R signal transduction in combination with gemcitabine“ <i>„Fellowship from The European Society of Oncology 1999”</i>
2001	Travel Award to the 101 st Japanese Congress of Surgery of the German Society for Surgery 10.04. – 13.04.01, Sendai, Japan

- 2001** American Association for Cancer Research 92nd Annual Meeting, 24.-28.03.01, New Orleans, USA
 „Blockade of epidermal growth factor receptor (EGF-R) signaling as treatment for pancreatic cancer liver metastasis in nude mice“
 „AACR-Pharmacia & Upjohn Scholar-in-Training Award 2001”
- 2002** Fourth International Symposium on Antiangiogenic Agents, 10.-13.01.02, San Diego, USA
 „Contrast enhanced MRI as *in vivo* monitoring for the anti-angiogenic effect of EGF-R blockade in pancreatic cancer growing orthotopically in nude rats”
 „Fellowship Award 2002“
- 2002** „Gerd-Hegemann-Travel Award 2002“ for Pancreatic Surgery: MD Anderson Cancer Center, Houston, USA, Prof. Dr. D. Evans and The Johns Hopkins University, Baltimore, USA, Prof. Dr. J. Cameron
- 2003** „Von-Langenbeck-Preis 2003“
 120th Conference of the German Society of Surgery 2003
 „Anti-angiogenic therapy of human pancreatic cancer after orthotopic implantation in nude mice”
- 2005** „Curt-Bohnewand-Award 2005“ of the Medical Faculty of the Ludwig Maximilian University Munich, Germany
- 2018** Nomination for the Leopoldina Academy of Sciences

After 2005 scientific awards for members of the research group

- 2006** Johann-Nepomuk-von-Nussbaum Award
 (Dr. med. A. Kleespies)
- 2006** Poster Award of the German Cancer Society
 (Dr. med. A. Kleespies)
- 2007** Fritz-Linder Award of the German Society of Surgery
 (Dr. med. H. Niess)
- 2009** Fritz-Linder Award of the German Society of Surgery
 (cand. med. C. Zischek)
- 2009** Ferdinand-Sauerbruch Research Award
 (Dr. med. A. Kleespies)
- 2011** Poster Award of the German Surgical Research Society
 (cand. med. Q. Bao)
- 2012** Heberer Award
 (Dr. med. H. Niess)
